PROJECTS/REPORTS

Lesser Markers at Corners of Significant Land Claims: Jill Bonney-Hill reported that she met with Jim McKillop at Faith Lutheran Church and the church is interested in moving forward. They are amenable to having the marker on their property but do not want it in the grass where it would be hard to mow around. The next step will be to contact Jerry McGee for advice on verbiage and contact Public Works to coordinate design and installation.

Cavalry Remount Station: Sherrie Gottfried had no report.

Informational Signage at Keizer School: Jill Bonney-Hill reported that she will be meeting with Tammy at the Museum November 4.

Neighborhood History/Origination of Street Names: David Louden indicated that he could share information that he has about the names of roads with whoever takes on this project.

Facebook Page: Jill Bonney-Hill volunteered to take this project. She has names of Neighborhood Associations and will figure out a way to contact them so that posts to the KPIC page will automatically go out to the associations.

Willamette University: Liezle Tamayo was not at the meeting – No Report.

Longitude 123: Ashley Wenger reported that this was her last meeting. David Louden indicated that he was willing to help with this project.

Claggett Creek Watershed Council Story Map Project: Bob Busch reported that CCWSC cancelled their November meeting and will not meet again until January. They are trying to get an intern to head up this project and are still waiting to hear back from schools.

Oral History Update: Sherrie Gottfried reported that she had received an email recommending that Ralph Dungey be interviewed. Committee agreed to postpone contacting him until there was a volunteer willing to take on the project.

OTHER BUSINESS: Bob Busch reported that Meredith Mooney had indicated that she would be willing to do a map of "Little Libraries".

COUNCIL LIAISON REPORT: Roland Herrera reported on Council actions/plans and area sports events, announced that the First Citizens Banquet was coming up and urged everyone to vote.

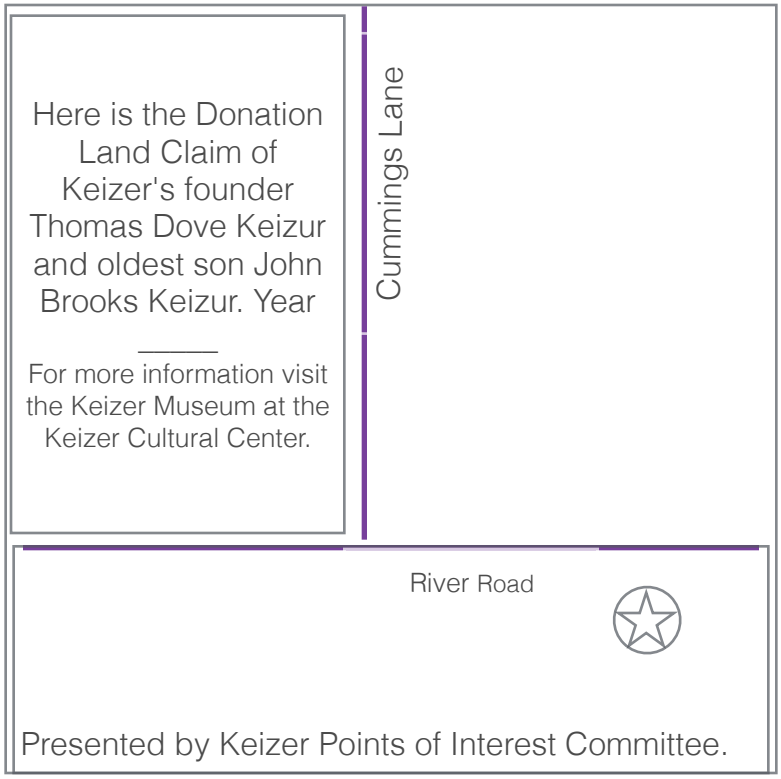
Email from Jill Bonney-Hill – 11/30/18

Here is a draft of what Jerry and I came up with for the 4x4 marker for the church. It looks like we'll need to add more info to fill it up. It looks pretty empty. I put some notes and ideas on the page too.

Also, spoke with Bill Lawyer about putting the marker in on the property. Said wouldn't be a problem and that the church will decide best place. Also that city of Keizer would like a contract or some kind of agreement from the church that they agree to have the marker on their property. I've been in contact with Pastor Linda and she said will get it drawn up and let me know when to pick up.



This should be 4x4. We will need to decide on verbiage and spacing. Jerry thought might be good idea to put the street names in for context. I was thinking if we could find the exact spot on River Road we could mark it on the marker?
We may need to add more info other than just the donated claim of John and Thomas. One idea might be that John got the 1st land claim in the area and Thomas got the 2nd land claim. Something to think about.
