Good morning Ms. Burke,
I have copied Ms. Davis to put your email into the written comment for Council.
And the Community Diversity Engagement Committee has been tasked to research the policies used by other Oregon cities to display commemorative banners and flags including the Pride flag.
best regards,

CAUTION: This email originated from outside your organization. Exercise caution when opening attachments or on clicking links from unknown senders.

As a citizen of Keizer, Oregon, I would like to see the Keizer City Counsel rigorously pursue purchasing a Pride flag and displaying it over city hall.

I see this as a step toward diversification, and inclusivity. I would like our city to be welcoming, forward thinking and taking a stance against all types of "hate".

We have a lovely community, whose mission and goals need to be clear.

Thank you for your consideration,

Leslie S Burke
