

The City of Keizer is committed to providing equal access to all public meetings and information per the requirements of the ADA and Oregon Revised Statutes (ORS). The Keizer Civic Center is wheelchair accessible. If you require any service such as **LANGUAGE TRANSLATION** or other interpretive services that furthers your inclusivity to participate, please contact the Office of the City Recorder at least 48 business hours prior to the meeting by email at davist@keizer.org or phone at (503)390-3700 or (503)856-3412. Most regular City Council meetings are streamed live through www.KeizerTV.com and cable-cast on Comcast Channel 23 within the Keizer City limits. Thank you for your interest in the City of Keizer.

CITY OF KEIZER
TRAFFIC SAFETY/BIKEWAYS/PEDESTRIAN COMMITTEE AGENDA
Thursday, February 17, 2022 @ 6:00 p.m.
Keizer City Council Chambers

1. **CALL TO ORDER**
2. **APPROVAL OF MINUTES – January 2022**
3. **APPEARANCE OF INTERESTED CITIZENS**
4. **SAFE ROUTES TO SCHOOL PROGRAM APPLICATION – See Packet**

15. **ADJOURN**

Next meeting: March 17, 2022

KEIZER TRAFFIC SAFETY, BIKEWAYS & PEDESTRIAN COMMITTEE MINUTES
Thursday, January 20, 2022
Keizer City Council Chambers

CALL TO ORDER

Chair DeBlasi called the meeting to order at 6:00 pm. Attendance follows:

Present:

Michael DeBlasi, Chair
David Dempster
Hersch Sangster
Jamie Davis

Absent:

Steven Wolf
Rick Kuehn
One Position Vacant
Councilor Smith

Council Liaison/Staff Present:

David LeDay, Police
Mike Griffin, Streets & Stormwater
Debbie Lockhart, Deputy City Recorder

ELECTION OF CHAIR & VICE CHAIR: Chair DeBlasi nominated Jamie Davis to serve as Chair, David Dempster nominated Mike DeBlasi to serve as Vice Chair. With no further nominations, nominations were closed and Davis and DeBlasi were elected to serve as Chair and Vice Chair respectively by unanimous consent.

APPROVAL OF MINUTES: David Dempster moved for approval of the November 2021 Minutes. Hersch Sangster seconded. Motion passed as follows: DeBlasi, Dempster, Sangster and Davis in favor with Wolf and Kuehn absent and one position vacant.

APPEARANCE OF INTERESTED CITIZENS:

Rhonda Rich, representing the West Keizer Neighborhood Association, distributed a handout listing concerns expressed at the last WKNA meeting regarding speeding traffic, rolling stops and failure to stop for pedestrians in the neighborhood. She noted that Chief Teague will be addressing the Association in February and asked the Committee to focus on particular areas to remedy problems.

Katie Stokes asked that No Parking signs be put up on the curve where Windsor Island Road comes into Willow Lake because drivers cannot see past the cars when entering the street. Streets & Stormwater Director, Mike Griffin made note of the area and indicated that he would evaluate it.

SKATS PROJECT SOLICITATION: Jamie Davis reported that she had not talked to the mayor and that the committee would have only one meeting to get the grant request together because it closes March 1. She suggested she work with Mike DeBlasi to get something put together to present to Council. Committee then discussed grant opportunities, safe routes to school/parks funding, education/planning grants and getting approval from school principals.

TSP GOALS, OBJECTIVES AND POLICIES DISCUSSION: Committee discussed various goals and objectives of the Transportation System Plan with Mike Griffin fielding questions and providing clarification. Discussion took place regarding review of accident locations, development of an annual improvement/accomplishment list, bicycle safety devices, bike lanes, minimum state standards, on-street bike parking and no parking sections on streets.

STREET PAINTING: Corrie Falardeau, Executive Director of the Keizer Chamber had been invited to the meeting to discuss this, but was not in attendance. Subject moved to February agenda.

SPEED DATA: Chair DeBlasi referred to several speed surveys he had received from Officer LeDay. Staff volunteered to scan the document and email it to committee members for review at the next meeting.

PLANNING COMMISSION REPORT: Hersch Sangster reported that the Planning Commission has been busy working on the Code Audit resulting from House Bill 2001.

COMMITTEE MEMBER INPUT:

Jamie Davis reported that she had been monitoring the Next Door app and gone to the WKNA meeting and testimony in both places focused on making Keizer streets safer. She would like the committee to focus on this as well as the area around Cummings Lane and sidewalk connectivity particularly on Windsor Island Road.

Mike DeBlasi urged that Keizer become a 'Tree City', noting that the City Manager would need to work on this. He stressed the importance of making streets safer and suggested something be done to slow traffic on Lockhaven such as murals on walls.

David Dempster pointed out that just about every resident of Keizer owns at least one car and those drivers would like to speed up their trip, not make it longer by being forced to go slower. He urged the committee to consider that they are representing those people as well and that there are more drivers than cyclists and pedestrians.

Hersch Sangster commended the City and the consultant that worked on the Wheatland Multi-Modal Study. He suggested that a Bike Fair be planned for May 14.

STAFF REPORT: Mike Griffin reported that 32 ADA ramp upgrades are out to bid and a list of streets to resurface this summer has been put together. AKS is preparing to get that out to bid in February.

POLICE REPORT: Sgt. LeDay reported on the successful Holiday of Lights parade.

COUNCIL LIAISON REPORT: Councilor Smith absent. No report.

OTHER BUSINESS

Planning Commission/Council Report: Jamie Davis will report to Council on February 7 and monitor the February 9 Planning Commission meeting.

ADJOURN: Meeting adjourned at 7:36 p.m.

Next Scheduled Meeting ~ February 17, 2022, 6 p.m.

Minutes Approved: _____

2022 Project Identification Program Application

PROGRAM DESCRIPTION: The ODOT Safe Routes to School Project Identification Program provides technical assistance to help school communities develop a local plan that identifies construction projects and education programs that address barriers to students walking and biking to school. Consultant services will be provided for up to 30 school communities each cycle.

Consultant services will assist the community (school representatives, school community, and local road authority representative) to identify infrastructure needs near one school, a cluster of schools feeding into the same middle or high school, or all schools in a community of 10,000 or less. Project identification will focus on all streets within a quarter-mile of the school, as well as critical issues within a mile of the school. Consultant will coordinate and implement the Project Identification Program process in each community for each school. The outcome of each Project Identification Program process will be a Safe Routes to School Plan for each school, cluster of schools, or small community that outlines construction and education needs to address barriers to students walking and biking to school and provides some information needed to apply for the ODOT Safe Routes to School Grants.

APPLICATION DESCRIPTION: To apply for the Project Identification Program, please choose one school to focus your application on called the "focus school". This school will have the highest percentage of low-income students AND have high crash risk factors on streets closest to the school. You are able to add additional schools to receive the service in the application but fill focus on the details of one for the purpose of application evaluation.

DEADLINE: The application deadline is 11:59pm on March 18, 2022. Read more about project eligibility and scoring criteria in the Program Guidelines. <https://www.oregonsaferoutes.org/wp-content/uploads/2022/01/2023-2024-Safe-Routes-to-School-Construction-Program-Guidelines-for-website.pdf>

SCORING DESCRIPTION: The application includes information about all questions that will affect the application score (500 points total). Information collected that is not noted with a scoring description will not affect the application score.

HOW TO SAVE YOUR APPLICATION: You can save your progress at any time by clicking the "save" button at the bottom of the form. You will then be emailed a link to resume your progress.

My community is interested in doing a deep dive into Safe Routes to School Education Programming as well as completing a prioritized construction project list as part of our Safe Routes to School Planning process.

- Yes
 No

Part 1 of 4: General Information

Applicant agency info

Eligible applicants are schools districts, cities, counties, and other road authorities.

Name required

Title required

Agency required

Phone required

Email required

Primary road authority contact- Required (if different from applicant).

The primary Road Authority is the agency who owns the majority of the public roads surrounding the school such as the City, County, ODOT, Tribe, etc.

Name

Title

Agency

Phone

Email

School Contact- Required (if different from applicant).

For the school that is the focus of this application ("focus school") - this is either the principal or a person approved by the principal.

Name

Title

Agency

Phone

Email

School information

List the schools that will be reached as part of the Project Identification Program. The first school name listed should be your "focus school."

The first school listed should be your "focus school." Your "focus school" will have the highest percentage of low income students AND have the most unsafe streets closest to the school.

Note: You may list multiple schools that feed into the same high school, or all the schools in your district if you are located in a community of 10,000 or fewer. Each school will receive an individual prioritized list of projects and programs; which will be combined into a single SRTS Plan that combines the plans for multiple schools to address more critical needs across schools.

How many schools total are you applying for the planning service? required

Includes focus school.

If applying for multiple schools, describe why your community aims to assess multiple schools.

Maximum characters: 750

Address of focus school: required

Reminder: You can save your progress at any time by clicking the "save" button at the bottom of the form.

Part 2 of 4: Eligibility Criteria

Participation is required by a school contact and road authority contact for each school identified in this application. Applicants must answer "yes" to below table.

Note: A letter of commitment for the focus school and primary road authority is required for this application. If your application is selected, you must provide letters of commitment from each additional school and road authority within two weeks. These letters must detail their commitment to the following list, or you will lose the PIP service.

In order to be successful, you will need a representative from each school and affected road authority to participate in this process. We anticipate this process will take 30 weeks.

Attend Project Management Team (PMT) Meeting

Applicant, school contact, and primary road authority contact for each school must answer yes to be eligible.

Do you agree for all participants? required

Yes

Attend Stakeholder meeting

Applicant, school representative, and main road authority for each school must answer yes to be eligible.

Do you agree for all participants? required

Yes

Assist with Field visit outreach

Applicant, school representative, and main road authority for each school must answer yes to be eligible.

Do you agree for all participants? required

Yes

Assist with Background data collection

Applicant, school representative, and main road authority for each school must answer yes to be eligible.

Do you agree for all participants? required

Yes

Attend Field visit: School Safety Assessment

Applicant, school representative, and main road authority for each school must answer yes to be eligible.

Do you agree for all participants? required

Yes

Provide feedback on draft report

Applicant, school representative, and main road authority for each school must answer yes to be eligible.

Do you agree for all participants? required

Yes

Approve final documents

Applicant, school representative, and main road authority must answer yes for each school to be eligible
Do you agree for all participants? required

Yes

Description of need and commitment

Provide information that describes the need for a Safe Routes to School Plan in your community. required

Maximum characters: 750.

Provide information that describes why your community currently cannot support the burden of planning for Safe Routes to School projects and programs. required

Note: burden may be financial, lack of staff capacity, lack of expertise, etc. Maximum characters: 750
What do you intend to do with the Safe Routes to School Plan once it is completed? Check all that apply. required

- We intend to apply for a Safe Routes to School Competitive Construction Grant Program.
- We intend to use it to apply for a Safe Routes to School Non-Infrastructure Grant to address barriers to students walking and biking through education and encouragement programs.
- We intend to use it to plan for roadway safety infrastructure improvements to be included in a locally adopted plan (like a Transportation System Plan).
- We intend to use it to plan for a school bond or school redesign project.
- We intend to use it to apply for funding.
-

Reminder: You can save your progress at any time by clicking the "save" button at the bottom of the form.

Part 3 of 4: Additional Information

What grades are taught at the focus school?

- This school teaches students from pre-kindergarten through 8th grade or any combination. (applicant will receive 90 points)
- This school teaches no students from pre-kindergarten through 8th grade or any combination.

Optional Resource: [SRTS map- includes crash data and school data](#)

What is the population of the City/unincorporated community in which your focus school is located?

Resource: Find population data with the [census quick facts tool](#).

What percentage of students are low income at the focus school?

- 10-19% (applicant will receive 15 points)
- 20-29% (applicant will receive 30 points)
- 30-39% (applicant will receive 45 points)
- 40-49% (applicant will receive 60 points)
- 50-59% (applicant will receive 80 points)

- 60-69% (applicant will receive 100 points)
- 70-79% (applicant will receive 120 points)
- 80-89% (applicant will receive 140 points)
- 90-100% (applicant will receive 160 points)

Resource: [SRTS map- includes crash data and school data](#)

Is your focus school above the state average in any of the categories below? Check all that apply.

- The school is above the state average of 18% in Ever English Learners (students learning English as a second language) (applicant will receive 5 points up to 20 points)
- The school is above the state average of 40% in students of color (applicant will receive 10 points up to 20 points)
- The school is above the state average of 15% in students with disabilities (applicant will receive 5 points up to 20 points)
- The school is above the state average of 1% in American Indian/Alaska Native students (applicant will receive 5 points up to 20 points)
- The school is above the state average of 28.1% in students who are chronically absent (applicant will receive 5 points up to 20 points)

- Resource: [SRTS map- includes crash data and school data](#)

Road lanes

Please tell us about the road with the highest amount of lanes or crossing distance that is the closest to the focus school that is a barrier to students walking and biking.

A) The road has... required

B) It is within... required

Road speed

Please tell us about the road with the highest speed that is the closest to the focus school that is a barrier to students walking and biking.

A) The road's posted speed or the 50th percentile speed is... required

B) It is within... required

Road average annual daily traffic

Please tell us about the road with the highest AADT (average annual daily traffic) that is the closest to the focus school and is a barrier to students walking and biking.

A) The road's average annual daily traffic is... required

B) It is within... required

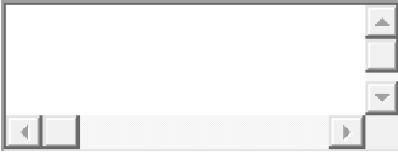

Is there a history of crashes involving a bicyclist or pedestrian within a one-mile radius of the focus school between the hours of 6am and 9pm? required

- Yes
- No
- I don't know

Applicant may use crash data from any timeframe.

Optional Resource: [SRTS map- includes crash data and school data](#)

If you answered "yes" or "I don't know" to the above questions about crashes, injuries, and fatalities, describe why.

Maximum 750 characters.

At the road location what is the Transportation Disadvantaged Index?

- 1.5 - 1.9 (will receive 5 points)
- 2.0 - 2.4 (will receive 10 points)
- 2.5 - and up (will receive 15 points)

Resource: [SRTS map- includes crash data, school data, and transportation disadvantages index data.](#)

Describe the barriers that students face when walking and biking to the focus school. Check all that apply: required

- Lack of sidewalks
- Lack of bikeways
- Dangerous crossings
-

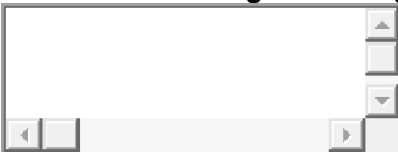

Describe past, present, or upcoming Safe Routes to School education programs at the focus school or school district. Safe Routes to School programs include education, encouragement, and evaluation activities that reduce barriers to children walking and bicycling to school. required

Maximum characters: 750

What are your past, current, or future plans for Safe Routes to School construction improvements?

Construction improvements are street safety features like sidewalks, crosswalks, etc. that address barriers to students walking and biking to school. required

Maximum characters: 750

Reminder: You can save your progress at any time by clicking the "save" button at the bottom of the form.

Part 4 of 4: Signature

Applicant signature required

Letter of commitment from focus school required

Uploader drag files here.

- [School letter of commitment](#) (template)

Letter of commitment from the primary Road Authority for the streets around the focus school required

Uploader drag files here.

- [Road authority letter of commitment](#) (template)

(Optional at this time) Letters of commitment from any additional Road Authorities and schools.

Uploader drag files here.

Note: If your application is selected, you must provide letters of commitment from each additional school and road authority within two weeks. These letters must detail their commitment to the eligibility criteria, or you will lose the PIP service.

By submitting this application, you are confirming that the information contained within is true and accurate.

Contact [LeeAnne Fergason](#), 503-910-8994, if you have any comments or concerns about the application or have an inability to provide required information.
