

We've completed the Interchange Area Management Plan (IAMP) for the Aurora-Donald Interchange! The plan includes what changes will be made to the interchange, the surrounding local roads and the property accesses.

We worked with Marion County and surrounding property owners to complete the IAMP. Marion County will hold a hearing on September 30 to adopt the plan. To learn more, please attend the hearing.

To learn more about the project, sign up for project alerts and to view the plan, visit the project webpage: [AuroraDonaldInterchange.org](http://AuroraDonaldInterchange.org)

Construction of Phase 1 of the interchange improvements is planned to begin in 2022. More details about construction will be available next year.

Dear Mayor and Councilors:

In the summer of 2021, the U.S. Navy will commission the USS Oregon (SSN 793), the twentieth submarine of the Virginia-Class and the second ship ever named for the State of Oregon. The Christening Ceremony was at General Dynamics Electric Boat in Groton, CT on the 5th of October 2019. This is a great honor for our state and acknowledges our contribution to the nation's defense. We, the Committee, seek your support in honoring the crew and celebrating our ship's entry into the fleet to deliver advanced capabilities for undersea supremacy.

Jay Perry-Marketing

Dave Vrooman-Operations

Bill Long-Invitations

The U.S. Navy conducts a formal commissioning ceremony but is prohibited from funding all the traditional celebrations and customs that welcome a new ship into the fleet. These are activities which help connect the ship and crew with its namesake state. Therefore, our Committee, supported by the Navy League of the United States Portland Council, a 501(c)(3) organization, accepted responsibility to fund and host these memorable events for the ship, her crew, our State, and citizens. Our goal is to raise \$200,000 to fully support events and bring this great ship into the fleet.

As city leaders, we appeal for your help in creating an unforgettable experience for those who serve aboard the USS Oregon, as well as their families and our citizens. Your participation in these events will honor the ship, her Officers and crew, and help us establish a lifetime relationship between USS Oregon sailors and the citizens of the State of Oregon. Please consider joining us in supporting superior commissioning events that celebrate the ship, perpetuate the memory of her illustrious predecessor, and commend our great State.

Your contribution to this worthy effort may be sent to:
