KEIZER TRAFFIC SAFETY, BIKEWAYS & PEDESTRIAN COMMITTEE MINUTES
Thursday, December 12, 2019
Keizer City Council Chambers

CALL TO ORDER

Chair DeBlasi called the meeting to order at 6:00 pm. Roll call follows:

Present:

Michael DeBlasi, Chair
Kathy Lincoln
Hersch Sangster
Wayne Frey
David Dempster

Staff & Liaison Present:

Debbie Lockhart, Deputy City Recorder
Mike Griffin, PW Division Manager
Councilor Dan Kohler

Absent:

Pat Fisher, Vice Chair
Sgt. David LeDay – Police Liaison
One Position Vacant

APPROVAL OF MINUTES: Kathy Lincoln moved to approve the November 2019 Minutes. Hersch Sangster seconded. Motion passed as follows: DeBlasi, Sangster, Lincoln and Frey in favor with Dempster abstaining, Fisher absent and one position vacant.

APPEARANCE OF INTERESTED CITIZENS: None

WHEATLAND ROAD BICYCLE/PEDESTRIAN STUDY: Chair DeBlasi appointed Hersch Sangster to serve on this committee. Hersch agreed to keep the committee informed.

PROJECT REPORTS:

Wayne Frey – Bike Parking Facilities in Schools and Parks: Reviewed his park inventory which was included in the packet. Mr. Sangster suggested that the old style racks be replaced with the ones made by C-TEC. He noted that they were for sale at the Saturday Market for \$84 plus installation. Chair DeBlasi suggested that the City buy several and store them to sell to businesses who want to install them.

David Dempster moved that the Traffic Safety/Bikeways/Pedestrian Committee forward a recommendation to the Parks Board to replace the 3 ‘toaster’ style bike racks with the clip style racks like the one at City Hall as budget allows. Kathy Lincoln seconded. Motion passed as follows: DeBlasi, Sangster, Lincoln, Dempster and Frey in favor with Fisher absent and one position vacant.

Pat Fisher - Parkway Path Signage & Public Outreach/Trash Receptacles: Absent

Kathy Lincoln – City-wide Missing Link/Neighborhood Connectivity: No report.

Michael DeBlasi – NACTO Discussion: Kathy Lincoln reported that she had emailed several people regarding this issue. She explained that NACTO standards are more

pedestrian/bicycle friendly but most cities use ASHTO which is more directed to highways and not urban streets. Portland and Tri-Met are members of NACTO. She is hoping to get local governments to redesign their street standards to be more ped/bike friendly and hoping to get a speaker from NACTO to promote that.

Hersch Sangster –McNary Upgrade Status: No update since last month. Additional Bike Repair Station: Project is moving ahead. He met with the school principal and the Boys & Girls Club and they both agreed that they would like to have it. They would like details on what it takes to install one. Mike Griffin agreed to get that information to Hersch. Hersch noted that Kennedy will have a major remodel beginning next year and may want to move the station after the remodel.

COMMITTEE MEMBER INPUT:

Mike DeBlasi noted that the sun is a problem for most of the year but spring and fall months are probably the worst because the sun rises and sets at steeper angles during the busy times of the day. He suggested that evergreen trees would help to shade the streets year round and pointed out that some cities have programs that fund the purchase of trees. He volunteered to check with Salem to see how they do it.

STAFF REPORT: Street Division Manager Mike Griffin reported that In-N-Out opened today with no major concerns from the Public Works Department. Saturday is the Holiday of Lights Parade so River Road will be shut down from 6 to 9 pm.

POLICE LIAISON REPORT: No report.

COUNCIL LIAISON REPORT: Councilor Kohler reported that traffic at Keizer Station is moving with little disruption from the opening of In-N-Out Burger. He will be helping with the Holiday of Lights parade this weekend.

ADJOURN: Meeting adjourned at 6:35 p.m.

Next Scheduled Meeting ~ January 9, 2020, 6 p.m.

Minutes Approved: _____
